Subject: Approval of Amended Notice of Intention to Commence Small Mining Operations,
Wall and Rock, Inc., Gulch Mine, S/023/0087, Juab County, Utah

Dear Mr. Wilhite:

The Division of Oil, Gas and Mining finds your amended Notice of Intention to Commence Small Mining Operations (NOI) complete. This amendment changes the name of the operator though the Division does not consider it to be a permit transfer.

The name on the certificate of deposit has been changed to Wall and Rock, Inc., but the Division still needs to get a new reclamation contract. A copy of the reclamation contract is enclosed with this letter. It is filled out but needs to be signed and notarized. Please have this done at your earliest convenience.

Thank you for completing this permitting action. If you have questions or concerns regarding this letter, please contact me at 801-538-5261 or Wayne Western at 801-538-5263. Questions about the reclamation contract can be directed to Penny Berry at 801-538-5291.

Sincerely,

Paul B. Baker
Minerals Program Manager
